FOR US TECHNOLOGY TO THE USSR WILL MEAN THAT GENERAL ELECTRIC WILL BE UNABLE TO SUPPLY DOLLARS 175 MILLION WORTH OF GAS TURBINE COMPONENTS. EUROPEAN GAS UTILITIES HAVE TAKEN A RATHER RELAXED ATTITUDE TO THE SITUATION. AEG - KANIS OF GERMANY IS REPORTED TO HAVE POSTPONED FURTHER WORK ON THE 47 TURBINES OF GE DESIGN ON ORDER FOR THE YAMAL PROJECT, WHILE JOHN BROWN ENGINEERING AND NUOVO PIGNONE ARE REPORTED TO BE CONTINUING WORK ON THEIR PORTIONS OF THE GAS TURBINE ORDERS. ALL THREE COMPANIES ARE DEPENDENT ON DELIVERY OF COMPONENTS SUCH AS HIGH TENSION TURBINE BLADES FROM GE IN THE USA.

3. INDUSTRY SOURCES CLAIM THAT ALTERNATIVE DELIVERIES OF THE EQUIPMENT COULD BE OBTAINED IN EUROPE. UK'S ROLLS ROYCE'S ENGINES BEING THE MOST OBVIOUS ALTERNATIVE.

4. HOPES ARE THAT SANCTIONS WILL BE LIFTED AND WORST FEARS ARE THAT THE PROJECT COULD BE DELAYED.

5. THE ORDER SITUATION AS IT STANDS APPEARS IN THE ACCOMPANYING TABLE (PARA 7). AN INTERESTING FEATURE IS THE RELATIVELY DOMINANT ROLE OF UNITED KINGDOM COMPANIES ON THE LIST OF CONTRACTORS, PARTICULARLY SINCE THE UNITED KINGDOM IS NOT AMONG THE EUROPEAN COUNTRIES THAT WILL RECEIVE GAS IN THE PIPELINE, WHILE THE DUTCH HAVE FAILED COMPLETELY GETTING ANY BUSINESS OUT OF THE PROJECT. DUTCH BANKS HAVE OPENED SUBSTANTIAL CREDITS FOR EQUIPMENT MANUFACTURERS TO FINANCE DELIVERIES FOR THE PROJECT, AS HAVE BANKS IN THE OTHER NATIONS RECEIVING GAS IN THE PROJECT.

6. THE LARGE ORDERS WILL BE FOR LINE PIPE. GERMAN AND JAPANESE PIPE MANUFACTURERS HAVE RECEIVED ORDERS FOR LARGE DIAMETER LINE PIPE TO THE SOVIET UNION. THESE ORDERS COULD, HOWEVER, BE FOR OTHER PROJECTS THAN YAMAL SINCE THE RUSSIANS DO NOT NORMALLY SPECIFY WHICH PROJECT THEY ARE BUYING FOR. ADDITIONAL SUBSTANTIAL ORDERS FOR LINE PIPE ARE EXPECTED WITHIN THE NEXT SIX TO EIGHT WEEKS.

7. YAMAL PIPELINE PROJECT - SIGNIFICANT ORDERS SIGNED:
